If you have not completed your COVID vaccination, then there are more reasons to do it now!

As state and national borders all open up, the likelihood of COVID infections spreading in our communities increase. To keep yourself and our mob safe we ALL need to be vaccinated.

If you're NOT fully COVID vaccinated yet, then book in and get your second jab at one of our clinics, to receive a **FREE* \$30 Telstra phone card** from us. **See details of this offer on the back page of this card.** ****Call us on 8406-1600 and book in to get your COVID jabs.****

Nunkuwarrin Yunti X-mas & New Year Closure times.

A note from our CEO, Vicki Holmes...

As the 2021 closes, I am feeling more optimistic about life returning to normal, more than I did same time last year. Although it's been another challenging year, the fact that we have COVID vaccinations to now provide protection from sickness and even death, is something to be hopeful about. However, vaccination amongst our mob is still low, so I would like to urge you to get your COVID vaccination if you have not done so....to protect yourself and safeguard our mob.

2021 is a significant year for us at Nunk because it's our 50th anniversary since we started as an Aboriginal Community Centre in 1971. Our Annual Report 2021 covers this 50 year history with a dedicated section and you can read all about it on our website (www.nunku.org.au) or read a hard copy of the Report at one of our clinics.

Please take care and stay safe.... I wish you all a very safe, peaceful Christmas and Happy New Year..... **Vicki**
